There are few things more satisfying in life than cooking a beautiful meal and sharing it with others. With this concept in mind, home cook Hetty McKinnon set up a community kitchen in her inner city terrace in Surry Hills (Sydney) in May 2011, cooking and delivering hearty, inventive home-cooked salads to hungry locals who live and work in the area. As a small, one-woman show, arthur street kitchen soon grew into one of the neighbourhood's not-so-best-kept-secrets, captivating the taste buds and hearts of faithful local diners. Community brings together 60 of arthur street kitchen's inspiring, flavour-packed salad recipes. Using the freshest, seasonal produce and an honest approach to cooking, arthur street kitchen reinvents the salad in many surprising ways, injecting colour, life and flair into this most humble of everyday meals. Leaving no vegetable, herb, legume, nut or spice unturned, Community will show you how to effortlessly and confidently dish up healthy meat-free comfort food, perfect heart-and-soul meals to share with family, friends and neighbours.

Rice Cookbook: 50 Delicious of Rice Cookbook (Rice Recipes, Rice Flour Recipes, Rice Recipes Cookbook, Rice Recipes Cookbooks, Rice Recipes Book) Rice is a part of many traditional cuisines. It is used as a main dish as a side dish or as a decoration for food. People knew about rice a long time ago. It has been part of our meals for 5,000 years. The first information about rice was found in China about 2,800 BC. The rise has been a part of Chinese food tradition. Chinese legends provide information that rice is used so much in the Chinese cuisine thanks to the legendary Emperor of China Shennong who was also the inventor of Chinese agriculture. The rise was spread from East Asia to South Asia and after that in Europe. Also, it was introduced to Americans through the European colonization. Rice comes in many shapes, colors and sizes. There are several types of rice known worldwide. - Long Grain Brown Rice - Long grain rice has a long, slender kernel, four to five times longer than its width. Cooked grains are separate, light and fluffy. - Short Grain Brown Rice - Short grain rice has a short, plump, almost, round kernel. Cooked grains are soft and cling together. - Sweet Brown Rice - Sweet rice is short and plump with a chalky white, opaque kernel. When cooked, sweet rice loses its shape and is very sticky. - Brown Basmati Rice - India is well known for its fragrant Basmati rice, another aromatic long grain rice with a distinct popcorn aroma.

- Chinese Black Rice - Chinese Black Rice is a medium grain rice with white kernels inside the black bean. Cooked, it takes on a deep publishing color. Rice is definitely the food we should include in our diet. It is full with nutrients. This food is really good for us, because it is very healthy. Rice contains proteins, iron, B vitamins and folic acid. These nutrition give us a lot of energy and that is why we do not need extra snacks. It is also important to know that the brown rice is whole grain and the white is not. Most of us are aware that we do not get as much fiber as we should. That is why rice is a good choice for our next meal. Whole grains are the healthiest option because they retain all the nutrients from the grain and are high in fiber.

This beautifully illustrated vegetarian cookbook by bestselling author Hetty McKinnon features modern, easy, and healthy recipes for a new generation of families. Dreaming up flavorful yet nutritious meals, night after night, is one of the greatest challenges in home cooking. The secret to success is developing a repertoire of family classics--simple, adaptable, and nourishing recipes that you will want to cook time and time again. In *Family*, Hetty McKinnon shares her approach to modern, hearty, and healthy comfort food that is powered by vegetables. Some of these recipes are heirlooms, passed on from her mother, others are old family favorites, and many are healthier variations on much-loved food. With everything from a deconstructed falafel salad of roasted chickpeas and fresh greens to an earthy miso brown butter pasta with sage to sticky banana golden syrup dumplings, this book provides fun, uncomplicated food for everyone. Interwoven with McKinnon's recipes are family stories from home cooks around the world. Family teaches home cooks how to build a repertoire of crowd pleasing, flavorful vegetarian meals and shows families how to successfully eat healthily together.

A NEW YORK TIMES BEST-SELLER Since his documentary, *Fat, Sick & Nearly Dead*, was released in 2010 and became a worldwide sensation, Joe Cross has become a tireless advocate for the power of juicing. The *Reboot with Joe Juice Diet* brings us of the plan that allowed him to overcome obesity, poor health, and bad habits, and presents success stories from others whose lives he's touched. Joe—who managed to lose one hundred pounds and discontinue all his medication by following his own plan—walks you through his life before juicing, sharing his self-defeating attitude toward food and fitness, and brings you along on his journey from obesity and disease to fitness, a clean bill of health, and the clarity of physical wellness. In addition to sharing Joe's inspirational story, *The Reboot with Joe Juice Diet* gives readers all the tools they need to embark on their own journey to health and wellness, including inspiration and encouragement, recipes, and diet plans.

[Notes & Recipes Top Secret Recipe](#) Plum

Exposing the social and political landscape of homelessness in Fresno, *Dispatches from the War Zone* offers the reader a rare opportunity to understand this issue from the perspective of the homeless, their allies and an investigative journalist who closely followed this story for more than 10 years. What at first appeared to be builders and developers working with Fresno City Hall and the police to move the homeless to more remote areas of town turns into something else entirely. We find government corruption, a class action lawsuit against the city for its unconstitutional attacks against the homeless and the suspicious death of Pamela Kincaid, the lead plaintiff in the legal action. Originally, it was the federal government's de-funding of affordable housing in the early 1980s that led to today's homeless crisis. The book examines those structural reasons for homelessness but also looks at what grassroots groups in Fresno, working on alternatives, have accomplished. Although the end to homelessness has been elusive for those groups doing business as usual, the paradigm shifts this book suggests give new hope that a better world is possible. There is a pathway to ending homelessness and treating all people with the dignity and respect they deserve.

The Dry Creek Chronicles offer a window onto the daily lives of Idaho families who owned and

worked the land in the Dry Creek Valley and Green Meadow, southwestern Idaho, from 1863 to 1900. Two nineteenth century farming communities, one in the creek valley and one on the floodplain of the Boise River, forged an enduring social bond through marriage and shared economic fortunes in similar environments. Over the course of forty years, however, their destinies diverged: one remained rural for more than 150 years, while the other became a settled part of nearby Boise City. This is the story of the families who created those communities.
