happens when America's
First Son falls in love with
the Prince of Wales?

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state,

and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the

people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, *New York Times*

of the Summer • A Deep South Best Book of the Summer • Winner of an AudioFile Earphones Award The 2020 NAACP Image Award-winning poet makes her fiction debut with this National Book Award-longlisted, magisterial epic—an intimate yet sweeping novel with all the luminescence and force of Homegoing; Sing, Unburied, Sing; and The Water Dancer—that chronicles the journey of one American family, from the centuries of the colonial slave trade

through the Civil War to our own tumultuous era. The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great

grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicasetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother,

Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that

is the story—and the song—of America itself. THE TRUTH SHALL SET YOU FREE HarperCollins The Ascended Masters state this book is destined to transform the world. Contained within these pages are some of the greatest spiritual teachings from the ancient mystery schools, plus instruction on how to apply these teachings to our everyday lives. Some of the information revealed here has not been made available before now. All of the information, if applied to

our everyday lives, has the power to revolutionize the world. In the past, only adepts, saints, apostles, mystics, and high priests and priestesses were allowed access to this instruction. With this knowledge, these individuals ruled and empowered themselves and civilizations, using the power that came with this knowledge to create and heal. Common folk leaned heavily on these spiritually elite for solutions to their problems, for the masses

had acquired neither the discipline nor the strength of will it took to master the teachings on their own. Learning and applying these truths required lifetimes of discipline and dedication. More importantly, mastering the knowledge demanded that one be accountable for his or her own actions—a responsibility the masses were not ready to accept. The Ascended Masters, however, decree that the time has come for everyone to learn these teachings and share in

the responsibility for transforming life and the world. Admittance into the Fifth Dimension demands this of all. Therefore, all who read this book must be forewarned that access to this knowledge automatically holds the soul accountable for its part of creation and each will be judged accordingly! The portal now stands open for all to pass through to collectively build the Seventh Golden Age on Earth.

The Jesus Trilogy

Grove/Atlantic, Inc.
Health is something

everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for

healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From

that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that

isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting

from it.

Sacred Journey to Atlantis Simon and Schuster

I absolutely love Vanessa's unique writing style. She is one of a kind. —Mary Monroe, New York Times bestselling author "Full of crazy church politics and a huge cast, Griggs keeps this on-going story alive by addressing the challenges of living by Biblical rules with homespun humor." —Publishers Weekly As the son of a well-known minister, Clarence Walker knows his decision to

leave his father's flock and join Pastor George Landris's mega-church ministry is controversial. But little does he suspect it will ignite a firestorm of revelations that will shake the heart of the congregation—and his very own family. . . . From a long-buried secret that will bring the paternity of not one, but two women, to light, to a parishioner whose long awaited love match may be thwarted by an unexpected source, hidden truths are coming to the surface. But most shocking is that

Clarence's own father, Reverend Marshall Walker, may not be the pious figure he claims to be. And since evidence of his transgressions lies in the hands of his arch nemesis, it's only a matter of time before Reverend Walker's life—and his church—falls like a house of cards. Praise For Vanessa Davis Griggs "A beautiful, hip, and spiritual retelling of one of the most memorable and redemptive stories in the Bible." —Freshfiction.com on *Redeeming Waters* "A smart novel that

addresses an issue that many in the church shy away from--divorce--with frank realism." —Library Journal on *Practicing What You Preach*

All the Light We Cannot See Orbis Books
 #1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've

never felt so hopeful about what I don't know."
—Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive

skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who

challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can

become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and

communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and

prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

When The Unbearable Lightness of Being was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the *New York Times Book Review*. It went on to win the Los Angeles Times Book Prize for

Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover - these are the two couples whose story is

told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a

world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of

human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

In the case of true love, the soul is given to the other long before the body. Carolina suffers the terrible and gruesome murder of her father in circumstances surrounded by mystery, intrigue and danger. The young Detective Nicolás Valdés is drawn into a centuries old battle between two allies become foes. Together Carolina and

Nicolás fight against the killers who lurk in the shadows, while they grow ever more drawn to each other in a web of repressed desire. They pursue a hidden secret that could change the world, and for which many are prepared to kill. Nothing is as it seems, and who will live and who will die in this struggle is uncertain. Some pursue power and some pursue truth, and some, the lucky few, find love.

The Truth Is The Light

Pocket Books

In this trilogy by Jesus, are

three jewels, each shining in its own way and illuminating the same truth: You are not only human but divine, and you are meant to flourish and love one another. In words that are for today, Jesus speaks intimately and directly to the reader of the secrets to peace, love, and happiness. He explains the deepest of all mysteries: who you are and how you can live as he taught long ago. The three books in The Jesus Trilogy were dictated to Gina Lake by Jesus and include Choice and Will,

Love and Surrender, and Beliefs, Emotions, and the Creation of Reality. Choice and Will explores the complex, mysterious, and important question of who or what chooses. The question is important because our choices shape our reality and determine our experience of it. Love and Surrender explains the role that surrender plays in releasing us from bondage to our conditioning. Surrender is the "miracle" that occurs when we are finally able to let go and let things be

as they are. Beliefs, Emotions, and the Creation of Reality explores the exciting arena of creation. It explains how beliefs determine our internal reality and, consequently, our external reality and how to move beyond limiting beliefs. The three books in the trilogy are also available individually in paperback and ebook. From the Introduction: "Choice and will are what make it possible to move out of the negative and limiting beliefs of the false self, which prevent or

curtail the possibility of living a fuller, happier, and more loving life. Love and surrender are what are necessary to be in the Heart--in one's divine Essence--and to live from there rather than from a more contracted ego-bound state of consciousness. Surrender is the mysterious thing that happens when one lets go of, or gives up, the perspective and beliefs of the false self for the true self. It is the miracle I have spoken of in other works of mine." -Jesus

move her, to truly understand her. Was he meant to be the last? Lucy is faced with a life-altering choice. But before she can make her decision, she must start her story—their story—at the very beginning. Lucy and Gabe meet as seniors at Columbia University on a day that changes both of their lives forever. Together, they decide they want their lives to mean something, to matter. When they meet again a year later, it seems fated—perhaps they'll find life's meaning

in each other. But then Gabe becomes a photojournalist assigned to the Middle East and Lucy pursues a career in New York. What follows is a thirteen-year journey of dreams, desires, jealousies, betrayals, and, ultimately, of love. Was it fate that brought them together? Is it choice that has kept them away? Their journey takes Lucy and Gabe continents apart, but never out of each other's hearts. This devastatingly romantic debut novel about the enduring power of first

love, with a shocking, unforgettable ending, is *Love Story* for a new generation. "It's the epic love story of 2017."—Redbook
The Unbearable Lightness of Being Tor Books
 A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been

secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a

boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of

their lives?

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his

compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains “blessing” as a way of life, as a lens through which the whole world is

transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

Living a life of sin for many years had me in bondage. I was a slave to sin. I was living my life a lie, wanting to find the truth. I have fought the demon for many years. To defeat the demon, you've got to find out what demons fear. See, the

devil and his demons like to plant fear in you and feed off it. If you don't give them no fear to eat, they will soon get weak and die. You can't play around with Satan and his evil army, because they are not playing. If they are not playing, well, neither am I. I fear nobody but God. It wasn't until I gave my life to Jesus Christ that I began to feel free. You see, at the shout of the name "Jesus," we know the demons tremble. I am no longer a friend of this evil world; I am a friend of God's. I am protected,

guided, and comforted. I feel like a bird that has been let out of the cage I've been in for years. And these wings that God gave me were meant to fly. I will now soar all the way to my destiny, feeling like a free bird, thanks to my Lord and Savior, Jesus the Christ! Amen! Jesus is the Truth and the Life, and no one comes to the Father except through the Son. And Jesus is the Son of God. He rose from the dead after three days with all power in his hands. God is in control. So if you want true freedom, try

Jesus. He's all right.
