Take an online quiz, get editing help, order the book, join the Q&A club, read Jane Straus's articles, or register for her monthly newsletter.

Grammar-Land Cambridge University Press

Before the days of Schoolhouse Rock's jingles like "Conjunction Junction," there was the playful primer "Grammar-Land," which has been teaching children (and adults in need of a refresher) the basic rules of English grammar since its first publication in 1878. In the allegorical world of Grammar-Land, the nine parts of speech—rich Mr. Noun, his useful friend

Pronoun, little ragged Article, talkative Adjective, busy Dr. Verb and Adverb, perky Preposition, convenient Conjunction, and irksome Interjection—are brought to trial by Judge Grammar to settle disputes over the rules of language. Each part of speech is called in turn to take the stand, where they are questioned by Doctor Syntax and Sergeant Parsing. In the course of the amusing trial, the reader, perhaps without even realizing it, is exposed to the most important rules of grammar.

Complete English Grammar Rules BoD - Books on Demand

The Comic Latin Grammar Geddes & Grosset, Limited

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

An Old English Grammar Cambridge University Press

At last! An approach that compares and contrasts essential elements of Spanish grammar alongside their counterparts in English.

High School English Grammar and

Composition Key Saddleback Educational Publishing

The Blue Book of Grammar and Punctuation John Wiley & Sons

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming

sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The

lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you! *The Oxford Dictionary of English Grammar* McGraw Hill Professional Easy English Grammar-TB-01-R "The" *Grammar of English Grammars* Straus Easy English Grammar-TB-05-R *Pamphlet for Grammar, 1586* Learners Publishing Pte Limited Written by a team led by a world authority in English grammar, English Grammar for Today has established itself as a rich educational experience for both native-

and non-native-speaking students. This engaging and stimulating coursebook enables students to learn grammar not just for its own sake, but also for the pleasure of exploring, appreciating and understanding the way language communicates in written text and spoken discourse. Throughout, the emphasis is on using grammar in present-day English. After an introduction placing grammar in its educational and cultural context, the authors present a 'toolkit' for analysing sentences. The second part of the book demonstrates how to apply this toolkit to spoken and written language, using a wide range of real textual materials. Each chapter ends with a set of carefully-designed exercises and tasks to aid understanding, with answers provided at the end of the volume. Now thoroughly revised and updated to meet the needs of today's students, this new edition features: - a new Foreword by the English Association - an additional introductory chapter, 'Getting Started with Grammar', which introduces the subject for those with no prior knowledge - improved and extended diagrams, exercises and answers - up-to-date textual passages and

examples Lively and approachable, this indispensable guide is ideal for both students and teachers who are looking for their first serious engagement with - or wishing to rediscover- English grammar.

Book Excerpt : ...thic, affords a good illustration of this remark; but the comic Temple of the Fine Arts, in Trafalgar Square, is what Lord Bacon would have called a "glaring instance" of its correctness. The occurrences of the day bear all of them the stamp of facetiousness. The vote of approbation,

lately passed on a certain course of policy, is a capital joke; the tricks that are constantly played off upon John Bull by the Russians, French, Yankees, and others, though somewhat impertinent to the aforesaid John, must seem very diverting to lookers on. The state of the Drama may also be brought forward in proof of our position. Tragedies are at a discount; farces are at a premium; lions, nay goats and monkeys, are pressed into the service of Momus. Even the various institutions for the advancement of morals have not escaped the influence of the prevailing taste. To mention that respectable body of men, the Teetotallers, is sufficient of itself to excite a smile. In short, look wherever you will, you will find it a matter of...

The Blue Book of Grammar and Punctuation DigiCat

Examples, Exceptions, Exercises, and Everything You Need to Master Proper Grammar Complete English Grammar Rules is a comprehensive English grammar guide covering both basic and advanced grammar rules. Learn proper English grammar with simple, in-depth explanations, featuring key exceptions, common grammar mistakes, and

thousands of real-world usage examples, plus valuable grammar exercises-every topic includes a grammar quiz. With Complete English Grammar Rules, you'll be able to: Quickly master basic English grammar while learning more advanced topics along the way. Easily identify nouns, pronouns, verbs, adjectives, adverbs, prepositions, and other parts of speech. Master verb tenses and conjugation, including irregular verbs and exceptions. Learn about every type of sentence and avoid common writing mistakes. Test your knowledge with grammar quizzes designed to help you retain the most important information. Finally, you can get answers to all your questions about grammar. Complete English Grammar Rules gives you all the rules of grammar, all in one place, logically organized in a user-friendly format. Preface Grammar is without a doubt one of the most daunting aspects of the English language, an area riddled with complexities, inconsistencies, and contradictions. It has also been in a state of flux for pretty much its entire existence. For native speakers of English, as well as for those learning it as a new language,

grammar presents a very serious challenge to speaking and writing both accurately and effectively. Having a single, reliable, go-to reference guide should therefore be indispensable to those trying to learn, improve, or perfect their speech or writing. This book is that guide: a clear, unambiguous, and comprehensive source of information that covers all the relevant topics of English grammar, while still being easy to understand and enjoyable to read. Every topic in the book has been broken down into basic units. Each unit can be read and understood in its own right, but throughout the book you will find cross-references to other sections

and chapters to help make it clear how all the pieces fit together. If you're having trouble understanding something, try going back (or forward) to other related topics in the book. Finally, it must be mentioned that, because English is such a flexible, inconsistent language, the "rules" that are often bandied about are usually not rules at all, but rather guides that reflect how the language is used. Accordingly, the guidelines contained within this book are just that—guidelines. They are not intended to provide constrictive or proscriptive rules that confine everyone to a particular way of speaking or writing. Learning how the

English language works will enhance your engagement with speech and writing every day, from the books you read, to the e-mails you write, to the conversations you have with friends and strangers alike. As such, mastering grammar is not an exercise that is confined to the classroom. While it is certainly important to learn the structures, styles, and rules that shape the language, the key to truly learning English is to read and listen to the way people write and speak everyday, from the most well-known authors to the people you talk to on the bus. Take the information you find in this book and carry it with you into the world. -P. Herring
