Theophilus Henry Simmons is young, single, sexy, and just about the finest black man any wishful mother and daughter have ever seen in Charleston, Mississippi. He's also a pastor. And when he starts courting the quiet, homespun Essie Lee Lane-and she accepts his marriage proposal-a few of the church folk decide to teach Essie what it really means to be a pastor's wife, and show her how little she knows about them. But as Theophilus gains prominence in his denomination, Essie evolves from a mousy parishioner into an independent and Godly woman. Now sporting an afro and driving her new purple Cadillac, Essie teaches the church folk what it really means to stand by your man-and your beliefs.

*Kara's Gift (Mills & Boon Vintage 90s Modern)* HarperCollins UK

Animals and birds all around the world are falling asleep as the moon and stars shine above.

*nina's book* Turtleback

Poul Anderson himself has put together a retrospective collection of his recent writings, fiction and nonfiction, under the title All One Universe. This is the first major Poul Anderson collection in a decade. It encompasses all his strengths as a teller of tales and, in addition, provides a running commentary in the story notes and in the essays on other literary figures such as Rudyard Kipling, Johannes B. Jensen, and John W. Campbell, Jr., commentary that illuminates the fiction, gives personal insight into the mind of this fine writer, and provides a unifying personality for All One

Universe. All One Universe, then, represents the new best of Poul Anderson. It is a rich, varied selection of quintessential science fiction as well as four essays, mostly from recent years, by one of the great science fiction writers of the century. His stories are filled with roaring energy, the soul of poetry, and dark imaginings. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

How to Read Shakespeare offers an approach to Shakespeare through reading and seeing his plays. The assumption is that Shakespeare's plays are fully comprehensible to modern readers and theater-goers and that they can be thoroughly enjoyed. The author approaches the plays creatively without the barriers of academic study. Some of the specific topics studied are Dramatic Conventions, The Poetry of the Theater, Shakespeare's Characters, Structure and Dramatic Scene, The Presented Text, and The World of the Play: Theatrical Significances. How to Read Shakespeare encourages readers to develop their histrionic imagination.
