A Hands-On Approach to Understanding and Using Actuarial Models Computational Actuarial Science with R provides an introduction to the computational aspects of actuarial science. Using simple R code, the book helps you understand the algorithms involved in actuarial computations. It also covers more advanced topics, such as parallel computing and C/C++ embedded codes. After an introduction to the R language, the book is divided into four parts. The first one addresses methodology and statistical modeling issues. The second part discusses the computational facets of life insurance, including life

contingencies calculations and prospective life tables. Focusing on finance from an actuarial perspective, the next part presents techniques for modeling stock prices, nonlinear time series, yield curves, interest rates, and portfolio optimization. The last part explains how to use R to deal with computational issues of nonlife insurance. Taking a do-it-yourself approach to understanding algorithms, this book demystifies the computational aspects of actuarial science. It shows that even complex computations can usually be done without too much trouble. Datasets used in the text are available in an R package (CASdatasets).

The pattern emerges.... A series of unexplained deaths are only a harbinger of the apocalypse to come. A mysterious figure who calls himself 'the Immortal' is plotting the destruction of the global economy, and only Tam Broderick and her CIA task force—the Myrmidons—can stop it. But when the Immortal sends his followers on a quest to retrieve a medieval relic alleged to have mystical powers, the pattern becomes less clear. Is this a ruse to throw the Myrmidons off the trail? Or is the relic the key to the Immortal's ingenious plan? Action and thrills abound in this exciting sequel to *Destiny!* Praise for David Wood "Dane and Bones.... Together they're unstoppable. Rip roaring action from start to finish. Wit and humor throughout. Just one question - how soon until the next one? Because I can't wait." -Graham Brown, author of *Shadows of the Midnight Sun* "What an adventure! A great read that provides lots of action, and thoughtful insight as well, into strange realms that are sometimes best left unexplored." -Paul Kemprecos, author of *Cool Blue Tomb* and the *NUMA Files* "A page-turning yarn blending high action, Biblical speculation, ancient secrets, and nasty creatures. Indiana Jones better watch his back!" -Jeremy Robinson, author of *SecondWorld* "With the thoroughly enjoyable way Mr. Wood has mixed speculative history with our modern day pursuit of truth, he has created a story that thrills and makes one think beyond the boundaries of mere fiction and enter the world of 'why not?'" -David Lynn Golemon, Author of the *Event Group* series "A twisty tale of adventure and intrigue that never lets up and never lets go!" -Robert Masello, author of *The Einstein Prophecy* "Let there be no confusion: David Wood is the next Clive Cussler. Once you start reading, you won't be able to stop until the last mystery plays out in the final line."-Edward G. Talbot, author of *2012: The Fifth World* "I like my thrillers with lots of explosions, global locations and a mystery where I learn something new. Wood delivers! Recommended as a fast paced, kick ass read."-J.F. Penn, author of *Desecration*

Book 6 in the Penny series finds Ben Pollock (aka Ben Matthews) recovering from the aftermath of an eventful birthday party. Revelations about his past life come in the guise of Austin Prentice and Ben's ex-girlfriend, Mona, who is now married to Prentice. Their son Bengy Prentice is the mirror image of Ben's eldest son Luke. Standing together with Luke's twin sister Lucy, they could be taken for triplets! Ben's life is in turmoil, and is

made worse by the disappearance of his wife Rebecah and their children. Unable to contact them, Ben closes up their villa in UAE, sells off their belongings, ships their dogs back to the UK, and goes in search of them. What he discovers is one of his worst fears, when he learns that the people in his life are not who they seem. Ben is faced with yet more decisions. Should he confess the truth, or let sleeping dogs lie? Without a penny is how this episode in his life began. How will it end?

THE INSTANT SUNDAY TIMES TOP TEN BESTSELLER The behind-the-scenes story of the Marcelo Bielsa revolution at Leeds United and their first season back in the Premier League after sixteen years of hurt. FEATURING FRESH PERSONAL INSIGHT FROM MARCELO BIELSA When Marcelo Bielsa was appointed head coach of Leeds United in the summer of 2018, the club had just finished 13th in the Championship - their 15th consecutive season outside the top flight - and were defined as much by their excesses and

disasters off the pitch as their lack of success on it. Bielsa changed everything. In guiding Leeds back to the promised land of the Premier League, he has transformed the club into a vastly more dynamic, entertaining and professional outfit, fully endearing himself to the Leeds faithful and capturing the imaginations of football fans around the world. With his unique tactical approach, strict diet and body fat controls and a gruelling training schedule - including his infamous 'murderball' sessions - Bielsa has shaped a gang of Championship misfits and journeymen into a team that plays breathtakingly relentless attacking football and is more than capable of going toe-to-toe with the game's established heavyweights. In *Beautiful*, Phil Hay documents the fortunes of Leeds United under Marcelo Bielsa during their return to the Premier League for the 2020/21 season. By weaving in stories of crises from the club's purgatory in the English Football League, he presents a comprehensive and compelling portrait of an enigmatic manager whose values are the antithesis of everything that has previously gone wrong at Leeds during the dark days of Ken Bates, Massimo Cellino and GFH. Phil pulls back the curtain on Bielsa's innovative tactical methods, his unconventional yet highly productive relationship with owner Andrea Radrizzani and Director of Football Victor Orta, his intensely loyal backroom team and the extraordinary cultural impact Bielsa has had on the city of Leeds - from murals and songs to cult fanbases in the provinces of Argentina. The result is a unique and beautiful love affair that has made dreams come true.
