Your dominion in life is a summation of your comprehension of the mystery of the kingdom. I have said this again and again and I want us to please pay attention. Every gate can be opened if we have the key. Gate only open when you have the key not when you want it open. Desire is not enough to bring you to a place of destiny and breakthrough. As we keep coming week after week, I want you to realize that there is a transformation that is happening. And that transformation is happening by the power of the word of God. The word of God not only gives you knowledge, it translates you to become what it's saying and it empowers you to demonstrate the reality of what you claim to know. Any truth that you have and you know but cannot be

demonstrated is not yet a revelation in your life. I want to challenge us that our passion in this place, must be kept high even as we seek to press to know Him and to understand His ways. I give you a guarantee. The bible says they are life to them, those who find them. Not everybody will find them, they're not life to Christians, they are life to those who find them. Read This book and Be Blessed.

In Pursuit of Purpose Prophecy Start Operating in the Gift of Prophecy Today! When it comes to prophecy, the three most common questions among Christians are: Can every believer speak prophetically? If so, how do I start hearing God's voice? Once I've heard a prophetic word, what should I do next? Jermaine and Rebecca Francis answer

the first question with a resounding "yes!"--every believer can receive and release words from Heaven! With this in mind, they tackle the other two questions, offering this book as a user-friendly guide to hearing from God and speaking His words. Jermaine and Rebecca represent the next generation of prophetic voices under the leadership of renowned prophet and teacher, Dr. Bill Hamon. Their passion is to activate and instruct other believers in the prophetic anointing. Activating the Gift of Prophecy will help you: Start operating in the gift of prophecy in accordance with Scripture. Discern the voice of God through different spiritual senses. Separate soul from spirit when it comes to hearing God. Operate in prophetic protocol to deliver words

effectively. Develop a pure heart that God can trust with prophetic revelation. As a follower of Jesus, you are filled with the Holy Spirit, which means you have access to God's prophetic words. Learn how to receive and release these words today!

None of These Diseases Whitaker House

Messenger is a study of the life, ministry, and theology of Sydney Granville Elton, a man who believed he had an apostolic message for the church in Nigeria and who stopped at nothing to deliver it. It will inspire you to find your place in prophetic destiny and fulfil it. Elton played the most significant role in shaping Pentecostalism in Nigeria during its first half-century. His impact on the movement was nothing short of revolutionary and his story is crucial to rediscovering the essence that created one of the most vibrant Pentecostal movements in the world. Messenger

explores the beginnings of Pentecostalism in Nigeria, bringing alive the stories of its major characters, the passion that catapulted the outpouring into a national phenomenon, and the first major crisis that marked the turning point in its early history. Elton's pivotal role from these early days, and in virtually every significant initiative crucial to its development for fifty years is told in riveting detail. At no other time when the foundations of Pentecostal Christianity in Nigeria are being vigorously shaken, and when both the church and the nation are in desperate need of a new breed of visionary and courageous leadership-does Elton's bold prophetic vision hold greater significance to our collective spiritual experience. Messenger will impart to you a fresh

vision of God's purpose and stir you to be a part of it.

Speaking at a time of intense war in Europe, Rudolf Steiner reveals the spiritual roots of the crises of our times and the means by which we can overcome them. Since 1879, Steiner tells us that "backward" angels, or "spirits of darkness"--who were forced out of the heavens and made their abode on Earth following their defeat in a forty-year battle with the Archangel Michael--have influenced human minds. It is now possible for human beings to awaken more consciously to the truth of these profound changes and thus inwardly counter the fallen spirits' influences. We can come to the realization that definite

spiritual causes lie behind earthly events in our rapidly changing times. In these fourteen lectures, given at the end of 1917 following four years of war in Europe, Steiner speaks on the complex spiritual forces behind the World War I, humanity's attempts to build theoretically perfect social orders, and the many divisions and disruptions that would continue on Earth into our own time. Humanity in general was asleep to the fact that fallen spirits, cast from the spiritual worlds, had become intensely active on Earth. This manifested mainly in human thinking and perception of the surrounding world. However, the defeat and fall of these spirits also ensured that a science of the spirit would always be available to humanity.

Warfare always surrounds the birth of a miracle. Praying Through the Promises of God deals with engaging your prophetic word and not letting the enemy steal your prophecy or interfere with your destiny. When a prophetic word is released, the enemy knows God's plan and begins to work against it. It is the responsibility of the believer to take that spoken word and birth it into the earth realm through diligent prayer and fasting. There is a prevalent notion which says; "God said it, I believe it, and that settles it." However, this notion has led to many disappointments because of a lack of understanding concerning the rules of engagement. This classic will

inspire and show you how to translate your promise into reality.
