*Salon* Harvard Business Review Press  
 Creating My Beauty Business is a business planner for people that are starting a home-based business. All businesses start with a concept, an idea. The more organized your plan is the better is its execution. Starting a business might feel overwhelming for many people but 'how do you eat an elephant? One bite at the time', right? To start a business you start one step at the time. Start by writing down your ideas on paper. Then make action steps lists for each stage of the business and take one action at the time. This book is a must-have tool in the life of any entrepreneur that loves planning and organization. With this

planner you can: Think or re-think essential parts of your business, such as your mission and your vision. Create a marketing strategy. Create & Organize the products and services that you offer. Create a product/service line. Product & Services sheets. Your financial goals and achievements. Register all of your business income and expenses. 12 undated months. Start your business at any time, just add the name of the month on the page divider. Blank dot grid pages for your notes because they are easy to use and versatile. This book is a place to think, reflect and track the daily steps to create and grow your business. This book has a business plan template that includes 1 year of

business finances tracking. The business finances are undated sheets to give you the freedom to start your business at any time. Depending on where you live your tax year starts at different dates. Our books come in different covers to give you options.

This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The

workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect.

With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

### **Creating My Beauty**

**Business** Ready, Set, Go Publishing LLC Judging by all the hoopla surrounding business plans, you'd think the only things standing between would-be entrepreneurs and spectacular success are glossy five-color charts, bundles of meticulous-looking spreadsheets, and decades of month-by-month financial projections. Yet nothing could be further from the truth. In fact, often the more elaborately crafted a business plan, the

more likely the venture is to flop. Why? Most plans waste too much ink on numbers and devote too little to information that really matters to investors. The result? Investors discount them. In *How to Write a Great Business Plan*, William A. Sahlman shows how to avoid this all-too-common mistake by ensuring that your plan assesses the factors critical to every new venture: The people—the individuals launching and leading the venture and outside parties providing key services or important resources. The opportunity—what the business will sell and to whom, and whether the venture can grow and how fast. The context—the regulatory environment, interest

rates, demographic trends, and other forces shaping the venture's fate Risk and reward—what can go wrong and right, and how the entrepreneurial team will respond Timely in this age of innovation, How to Write a Great Business Plan helps you give your new venture the best possible chances for success.

WARNING: Do Not Read This Book If You Hate Money To build a successful business, you need to stop doing random acts of marketing and start following a reliable plan for rapid business growth. Traditionally, creating a marketing plan has been a difficult and time-consuming process, which is why it often doesn't get done. In The 1-Page Marketing Plan, serial entrepreneur and

rebellious marketer Allan Dib reveals a marketing implementation breakthrough that makes creating a marketing plan simple and fast. It's literally a single page, divided up into nine squares. With it, you'll be able to map out your own sophisticated marketing plan and go from zero to marketing hero. Whether you're just starting out or are an experienced entrepreneur, The 1-Page Marketing Plan is the easiest and fastest way to create a marketing plan that will propel your business growth. In this groundbreaking new book you'll discover: - How to get new customers, clients or patients and how to make more profit from existing ones. - Why

"big business" style marketing could kill your business and strategies that actually work for small and medium-sized businesses. - How to close sales without being pushy, needy, or obnoxious while turning the tables and having prospects begging you to take their money. - A simple step-by-step process for creating your own personalized marketing plan that is literally one page. Simply follow along and fill in each of the nine squares that make up your own 1-Page Marketing Plan. - How to annihilate competitors and make yourself the only logical choice. - How to get amazing results on a small budget using the secrets of direct response marketing. - How to charge high

prices for your products and services and have customers actually thank you for it.

### The 1-Page Marketing Plan Page Two

Includes all start-up costs and actual floor plans that you can modify to suit your own location broken down to the penny. Five-Point Salon Design System Construction Costs Furniture & Equipment Costs Salon Floor Plans Do you have dreams of owning a successful salon? Ready, Set, Go! The Salon Building Bible will set you on a path that will enable you to design a salon that meets your needs and fits your budget. Authors, Eric Ryant and Jeff Grissler, felt that one of the biggest expenses and challenges faced by

new owners was floor plans and estimating start-up costs.

Therefore, they did what no other book in the industry has done- they provided ready-to-use floor plans and designs from an award-winning salon designer. Each plan details the construction and materials costs-along with the furniture and equipment needs required for each plan. Let Eric and Jeff guide you through your salon startup or remodel. Plan your project based on advice of leading salon design experts and salon owners. Avoid unnecessary costs with architects and designers and get a jump start by using the Ready, Set, Go! Five-Point designs and advice in this book. Benefit from step-by-step guidance for

designing, building, or remodeling your salon. Know exactly what your start-up costs will be down to the penny. Save money with the years of industry knowledge and tips that are packed into this book. The Salon Building Bible will make your salon dream a reality, while helping you create a design and budget to control costs, keep your project on time, increase your ability to succeed, and generate profits sooner!"

This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business

Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document.

Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

This book is a must-have tool in the life of any entrepreneur that loves planning and organization. With this planner you can: Think or re-think essential parts of your business, such as your mission and your vision. Create a marketing strategy. Create & Organize the products and services that you offer. Create a product/service line. Product & Services sheets. Your financial goals and achievements. Register all of your business income and expenses. 12 undated months. Start your business at any time, just add the name of the month on the page divider. Blank

dot grid pages for your notes because they are easy to use and versatile. This book is a place to think, reflect and track the daily steps to create and grow your business. This book has a business plan template that includes 1 year of business finances tracking. The business finances are undated sheets to give you the freedom to start your business at any time. Depending on where you live your tax year starts at different dates. Our books come in different covers to give you options. Creating My Beauty Business Creating My Beauty Business is a business planner for people that are starting a home-based business. All businesses start with a

concept, an idea. The more organized your plan is the better is its execution. Starting a business might feel overwhelming for many people but 'how do you eat an elephant? One bite at the time', right? To start a business you start one step at the time. Start by writing down your ideas on paper. Then make action steps lists for each stage of the business and take one action at the time. This book is a must-have tool in the life of any entrepreneur that loves planning and organization. Beauty Therapy Fact File Startup money is moving online, and this guide shows you how it works. The Art of Startup Fundraising takes a fresh look at raising money for

startups, with a focus on the changing face of startup finance. New regulations are making the old go-to advice less relevant, as startup money is increasingly moving online. These new waters are all but uncharted—and founders need an accessible guide. This book helps you navigate the online world of startup fundraising with easy-to-follow explanations and expert perspective on the new digital world of finance. You'll find tips and tricks on raising money and investing in startups from early stage to growth stage, and develop a clear strategy based on the new realities surrounding today's startup landscape. The finance world is in a

massive state of flux. Changes are occurring at an increasing pace in all sectors, but few more intensely than the startup sphere. When the paradigm changes, your processes must change with it. This book shows you how startup funding works, with expert coaching toward the new rules on the field. Learn how the JOBS Act impacts the fundraising model Gain insight on startups from early stage to growth stage Find the money you need to get your venture going Craft your pitch and optimize the strategy Build momentum Identify the right investors Avoid the common mistakes Don't rely on the "how we did it" tales from superstar startups, as these stories are

unique and applied to exceptional scenarios. The game has changed, and playing by the old rules only gets you left behind. Whether you're founding a startup or looking to invest, *The Art of Startup Fundraising* provides the up-to-the-minute guidance you need.

### **Salon Business**

This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to

follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the

challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

### *SPIN® -Selling*

A how-to guide for preparing your personal life for entrepreneurship—from a successful couple who has been there. Most people have two lives: the one that they are living and the one that they want to live. Today, there is more opportunity than ever for anyone to create their ideal life through entrepreneurship. After overcoming the obstacles of building three businesses with one spouse still in a 9-5 job and working together as a married couple while raising two young kids, Tom and Ariana Sylvester have cracked the code

and developed a framework on how to successfully do business and life—together. In *Lifestyle Builders*, Tom and Ariana guide current and aspiring entrepreneurs through the major aspects of making it happen with a simple step-by-step process, including getting clear on what the ideal life looks like, mapping out personal and business financials, and teaching readers how to organize and run their business to support their ideal lifestyle. *Lifestyle Builders* shows those seeking the entrepreneurial lifestyle how to unlock the secrets to making the ideal life a reality, even those who are busy and seriously lacking time and

money. It's time to join Lifestyle Builders  
the movement of today!
